

Year 10 AE/ Advanced Science Semester Two Assessment Outline

Term/ Week	Content	Assessment Item	Value (%)	Remarks
<u>Term 2</u>	<u>Biological Science</u>			
Week 9	Ecology Test	Test	10	Multi-choice and written sections
<u>Term 3</u>				
Week 3	Evolution Test	Test	10	Multi-choice and written sections
	<u>Chemical Science</u>			
Week 4	Chemistry Investigation	Investigation	5	In-class/ at home investigation
Week 6	Chemistry Calculations/ Rates	Test	15	Multi-choice and calculation sections
	<u>Physical Science</u>			
Week 8	Physics Investigation	Investigation	5	In-class Investigation with follow up research
<u>Term 4</u>				
Week 1	Physics Calculations	Test	15	Multi-choice and calculations sections
Week 3	Physics, Chemistry, Ecology and Evolution and Investigating sections	Exam	30	Multi-choice, written and calculations sections
	Classwork		10	Homework and participation throughout the semester
